

SUBMISSION OF REPLACEMENT DRAWING SHEETS

Submitted herewith are replacement drawing sheets for Figs. 1, 13, 15, 18 and 20. These corrected drawings are in compliance with 37 CFR 1.121(d). Figs. 1, 13 and 15 have been improved in the clarity of the coils, so as to overcome the concern noted in item 1 on page 2 of the Office Action. Additional revisions have been made in the drawings, in that the section line labels "A-A" and "B-B" have been changed to --6-6-- and --7-7--, respectively, in Fig. 1; the section line label "C-C" has been changed to --16-16-- in Fig. 15; the reference numeral 401 has been added into Fig. 18 to show the opening 401 in the floor 40 as referenced in paragraph [0089] on pages 21 and 22 of the original specification; and the section line label "D-D" has been changed to --21-21-- in Fig. 20.

Entry and approval of the replacement drawing sheets are respectfully requested.
